ARTICLE III, SECTION 19**

**State Planning and Budget Process**

Proposing amendments to the State Constitution to limit the amount of nonrecurring general revenue which may be appropriated for recurring purposes in any fiscal year to 3 percent of the total general revenue funds estimated to be available, unless otherwise approved by a three-fifths vote of the Legislature; to establish a Joint Legislative Budget Commission, which shall issue long-range financial outlooks; to provide for limited adjustments in the state budget without the concurrence of the full Legislature, as provided by general law; to reduce the number of times trust funds are automatically terminated; to require the preparation and biennial revision of a long-range state planning document; and to establish a Government Efficiency Task Force and specify its duties.

**NO. 4  
CONSTITUTIONAL AMENDMENT  
ARTICLE X, SECTION 27**

**Protect People, Especially Youth, From Addiction, Disease, and Other Health Hazards of Using Tobacco**

To protect people, especially youth, from addiction, disease, and other health hazards of using tobacco, the Legislature shall use some Tobacco Settlement money annually for a comprehensive statewide tobacco education and prevention program using Centers for Disease Control best practices. Specifies some program components, emphasizing youth, requiring one-third of total annual funding for advertising. Annual funding is 15% of 2005 Tobacco Settlement payments to Florida, adjusted annually for inflation. Provides definitions. Effective immediately.

This amendment requires state government to appropriate approximately \$57 million in 2007 for the Comprehensive Statewide Tobacco Education and Prevention Program. Thereafter, this amount will increase annually with inflation. This spending is expected to reduce tobacco consumption. As a result, some long-term savings to state and local government health and insurance programs are probable, but indeterminate. Also, minor revenue loss to state government is probable, but indeterminate.
