

OKALOOSA COUNTY SAMPLE BALLOT

GENERAL ELECTION NOVEMBER 4, 2014

Paul Lux, Okaloosa County Supervisor of Elections

Your Vote Counts!

Dear Voters,

We have prepared this Sample Ballot booklet to help guide you through the races you will be voting on in the November 4th General Election and to update you with any changes in laws or procedures that might have happened since the last time you voted.

Unlike previous years, there are only three Constitutional Amendments on your ballot this year. The amendments—along with one local referendum—appear on the back of your ballot, so please be sure to turn it over and vote both sides!

Some other important reminders:

- **Have you moved recently?** You can save yourself a lot of time if you let us know before election day. Phone, e-mail, or come to our nearest office to find out the location of your new polling place. Remember, it is a felony to vote in a precinct other than which you reside.
- **Did you bring a photo and signature ID?** Whether you vote early or at the polls, you must present a form of valid ID. The most commonly used is a Florida driver's license. If your photo identification does not contain your signature, you will be asked to provide an additional identification that includes a signature. If you fail to bring ID, you will be offered a Provisional Ballot. Your Voter Information Card cannot be used for ID.
- **Do you need assistance voting?** You can bring a friend or relative, but our Patriot Poll Workers are well trained and qualified to assist you. All polling places have electronic voting machines that allow most voters with disabilities to vote independently and in secret. Just ask!

If you still have questions after looking this over, please visit our website at www.GoVote-Okaloosa.com or feel free to e-mail me at plux@co.okaloosa.fl.us any time. It is my honor and privilege to serve you.

Sincerely,

Paul Lux
Supervisor of Elections

PROVISIONAL BALLOTS

In order to ensure that no eligible voter is turned away, the law provides a method of voting for a person whose eligibility may be questioned at the polls. If no final determination can be made at the time of voting, or if the voter disagrees with a determination of eligibility, he or she may vote a provisional ballot. This ballot is secured in an envelope and the canvassing board will determine whether it is to be counted after research is completed by the elections office.

In addition, the voter has until 5 p.m. on the second day after the election to provide any further evidence he or she may have to prove his or her eligibility. All provisional voters are given written notice of free access to information on the disposition of his or her own provisional ballot.

Please note: A voter who fails to bring photo and signature ID when voting is required by law to vote a provisional ballot. However, no further proof of eligibility is required by the voter. The voter's signature will be compared to the signature on file and the ballot will be counted if the signatures match.

VOTE BY MAIL (Absentee Ballot)

Absentee voting is by paper ballot (optical scan) using the envelope process. The most convenient way to obtain an absentee ballot is to contact the elections office by telephone at 689-5600 or 651-7272. You can also request an absentee ballot by email, mail, in person or by visiting our website **www.GoVote-Okaloosa.com**. Only a voter's immediate family can pick up an absentee ballot beginning the fifth day before Election Day (October 30th). A voter must designate the family member in writing.

The deadline for requesting a ballot to be mailed is the sixth day prior to the election (October 29th) and the last day for the elections office to mail ballots to voters is the fourth day prior (October 31st). Absentee ballots must be received in the elections office by 7 p.m. on Election Day. Absentee ballots may not be dropped off at precincts or early voting sites.

SIGNATURE UPDATE

Has your signature changed from

If so, please update your signature at either of our offices. Any voter who needs to update his or her signature must do so before the October 24, 2014, Canvassing Board meeting.

Back of Ballot

NO. 1 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 28

Water and Land Conservation - Dedicates funds to acquire and restore Florida conservation and recreation lands

Funds the Land Acquisition Trust Fund to acquire, restore, improve, and manage conservation lands including wetlands and forests; fish and wildlife habitat; lands protecting water resources and drinking water sources, including the Everglades, and the water quality of rivers, lakes, and streams; beaches and shores; outdoor recreational lands; working farms and ranches; and historic or geologic sites, by dedicating 33 percent of net revenues from the existing excise tax on documents for 20 years.

This amendment does not increase or decrease state revenues. The state revenue restricted to the purposes specified in the amendment is estimated to be \$648 million in Fiscal Year 2015-16 and grows to \$1.268 billion by the twentieth year. Whether this results in any additional state expenditures depends upon future legislative actions and cannot be determined. Similarly, the impact on local government revenues, if any, cannot be determined. No additional local government costs are expected.

☐ YES

☐ NO

NO. 2 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 29

Use of Marijuana for Certain Medical Conditions

Allows the medical use of marijuana for individuals with debilitating diseases as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not authorize violations of federal law or any non-medical use, possession or production of marijuana.

Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory and enforcement activities associated with the production and sale of medical marijuana. Fees will offset at least a portion of the regulatory costs. While sales tax may apply to purchases, changes in revenue cannot reasonably be determined since the extent to which medical marijuana will be exempt from taxation is unclear without legislative or state administrative action.

☐ YES

☐ NO

NO. 3 CONSTITUTIONAL AMENDMENT ARTICLE V, SECTIONS 10, 11

Prospective Appointment of Certain Judicial Vacancies

Proposing an amendment to the State Constitution requiring the Governor to prospectively fill vacancies in a judicial office to which election for retention applies resulting from the justice's or judge's reaching the mandatory retirement age or failure to qualify for a retention election; and allowing prospective appointments if a justice or judge is not retained at an election. Currently, the Governor may not fill an expected vacancy until the current justice's or judge's term expires.

☐ YES

☐ NO

City of Crestview Referendum will appear ONLY in the following precincts - part of 8, part of 9, part of 11, part of 12, part of 13, part of 45 and part of 52.

CITY OF CRESTVIEW REFERENDUM

A vote allowing temporary economic development property tax exemptions to businesses that create new jobs.

In order to create new jobs, shall the Crestview City Council be authorized to grant, pursuant to s. 3, Art. VII of the State Constitution, temporary economic development property tax exemptions to new businesses and expansions of existing businesses that will create new, full time jobs in the City?

☐ YES For authority to grant exemptions.

☐ NO Against authority to grant exemptions.
